SYRACUSE UNIVERSITY

Introduction
This articulation agreement is developed as a tool for advisement to assist in the transferability of comparable coursework from Jamestown Community College to parallel programs of study at Syracuse University.

Objectives
Syracuse University and Jamestown Community College enter into this agreement with the following objectives:
1. To attract qualified community college students into Syracuse University.
2. To facilitate an efficient and smooth transition into Syracuse University from Jamestown Community College programs.
3. To provide a path of coursework at Jamestown Community College that is applicable to programs of study at Syracuse University.
4. To encourage academic coordination, faculty and administrative interactions, and student engagement.

Terms of Agreement
The establishment of this agreement, the two academic institutions agree to the following terms:
1. Jamestown Community College agrees to designate faculty and academic/transfer advisors to facilitate the advisement for students interested in transferring to Syracuse University.
2. Students who graduate from Jamestown Community College with an associate's degree and a minimum cumulative Jamestown Community College grade point average of 2.8 are found academically qualified for the School of Information Studies. The final admission decision is made by the office of admission of Syracuse University.
3. Syracuse University agrees to accept the attached list of coursework, provided that achievement is no less than a grade of C in each course. The maximum number of transferable credit is 66 credit hours. Students who transfer 60 or more credit hours to Syracuse University receive junior standing.
4. Syracuse University agrees to accept into Syracuse University, and into the School of Information Studies Information Bachelor of Science (B.S.) Management and Technology degree program, qualified candidates who meet the admissions standards of Syracuse University and of the desired program of study at the time of admission. Admission to SU is contingent upon a continued record of good citizenship and character. Admissibility into the program of study will be determined by the Undergraduate Admissions Office.
5. Students who graduate from Jamestown Community College having earned a minimum grade of C in at least 54 credit hours of the Jamestown Community College courses listed in the appendix of this agreement are guaranteed the opportunity to earn the B.S. Management and Technology degree with four semesters of normal coursework at Syracuse University.
As indicated in the appendix, the School of Information Studies will accept four information technology-related courses in transfer from Jamestown Community College toward meeting specific requirements for the bachelor’s degree: CSC 1530 Web Publishing (equivalent to IST 263 Design and Management of Internet Services), CSC 1570 Programming Applications and Concepts (IST 256 Introduction to Application Programming), CSC 1760 Microcomputer Applications II (IST 195 Information Technologies), and CSC 2510 Introduction to Networks (IST 233 Introduction to Computer Networking). Upper level courses are taken at Syracuse University. Syracuse University will accept in transfer only courses with a grade of C or above.

6. The agreement will be subject to annual review by both Jamestown Community College and Syracuse University, or in the event there are changes to the curriculum at either institution.

7. Jamestown Community College and Syracuse University will recognize and promote the agreement with prospective transfer students.

8. Faculty and administrators at Jamestown Community College and Syracuse University will continue to develop collaborative ways to engage prospective transfer students.

Jamestown Community College and Syracuse University authorize this agreement to become effective August 1, 2011.
